Where Preparation and Purpose
Meet Performance and Passion™

CORE COMPETENCIES

Plethora, LLC is striving to build a network of partnerships with private and public schools, small businesses, corporations, nonprofits, government agencies, foster care agencies, faith based communities and individual families. Plethora, LLC can definitely evaluate and enhance any existing program or offer something new and beneficial to young people. Reshaping the brokenness in families and helping youth become better stewards of their communities is Plethora's goal.

SERVICES

- Social & Emotional Learning Life Skills Workshops
- Youth Financial Literacy Workshops
- Excellent resource for local worker hiring initiatives

KEY REASONS TO CHOOSE US

Plethora's niche is being there for individuals who need/want someone to listen to them. We have the ability to relate to different groups of people and communicate with them in a way they can understand. Attendees are encouraged to understand "WHY" and "change their STORY" through group facilitation, engaging dialogue and hands on exercises. Plethora, LLC is a game changer for 'untapped' social and emotional intelligence that creates balance, trust, togetherness, self-awareness, empowerment and more importantly transforming how you see yourself today, tomorrow and in the future.

CERTIFICATIONS

SB: Small Business
SBE: Small Business Enterprise
WBE: Women Business Enterprise
MBE: Minority Business Enterprise

DIFFERENTIATORS

Plethora, LLC takes a holistic approach that focuses on creating a developmentally appropriate learning setting for youth and families; develop strategies that focus on forging positive relationships; building self-confidence; developing soft skills; cultivating trustworthiness and creating safe spaces.

- We have Real Talk about the "genes" we inherited and the effect of "influence".
- We're a liaison between children, families and therapists.
- We encourage young people to open up and communicate their emotional needs and social insecurities.
- We introduce young people to Financial Literacy and best practices for managing their money.
- Founder and TEAM have more than 35 years of experience in the industry.
